a few notes

The Primland Putting Course is located on our 17,000 square foot practice green and offers a great opportunity for families to have a "mini" golf experience in the mountain air of Virginia.

Tees will be set out and the holes will be moved regularly to present a new and different challenge every day. Scorecards can be found close to the green and tee times are not required.

Please wear flat soled shoes and proper golf attire when enjoying the Primland Putting Course.

If you have any questions about the course or any other activities that we have to offer, please contact us at (866) 960.7746.

Thank you for visiting Primland.
