Primland Signature Facial 90 minutes \$160

Inspired by the American Indians, we have created a rejuvenating experience for the body, face and spirit. Enjoy visible results and lasting benefits from this anti-aging facial. This treatment includes back, hand and foot manipulations, leaving you with a pleasant sensation of absolute well-being and balance.

Stone of Eternal Youth Facial 90 minutes \$160

This treatment offers a unique combination of facial massage techniques using turquoise stones, resulting in a luminous complexion. Turquoise, a sacred stone of the American Indian, is believed to be the color of spirituality and peace. Turquoise is known to harmonize the body and spirit. Known as the “eternal youth stone,” turquoise regenerates and soothes the skin. An array of custom selected products leaves the skin hydrated and rejuvenated.

Shenandoah, Daughter of the Stars Facial

120 minutes \$210

This two-hour stress reliever will leave you with a deep sense of well-being and relaxation. It is inspired by the American Indian legend of Shenandoah, a river and valley so beautiful that the stars in the heavens chose to place their brightest jewels there. This extensive facial treatment offers a spectrum of cleansers, exfoliants, masks, serums and moisturizers. Effleurage, stretching movements and manipulations of the face, head and shoulders help to create a totally memorable experience.

Blue Ridge Facial 60 minutes \$110

This treatment is rich in Resveratrol, a potent antioxidant that combats skin concerns associated with aging. Techniques and products prime the skin to address environmental aggressors, enabling the skin to recover its natural defenses. The benefits of this combination leave your complexion soft and luminous.

Sky Woman Facial 60 minutes \$110

This treatment was inspired by the American Indian legend about the woman whose tumble from the clouds with seeds in her hands led to the creation of the earth. Experience a tingly sensation as the enzyme mask gently exfoliates the skin. This treatment, along with a unique combination of facial massage techniques, assists in the removal of toxins and congestion, leaving your complexion refreshed and healthy.

White Buffalo Woman, Eye Contour Treatment

30 minutes \$70

Inspired by an American Indian legend about a magnificent and bright woman who brought peace and harmony to the earth, this rich treatment illuminates the glance and smoothes and plumps the eye area. A nourishing blend of Evening Primrose and Acai Extract are applied to the delicate eye area. Rich in gamma-linolenic acids (GLA's), this lightweight emollient hydrates and soothes, while the Acai fruit oil delivers a combination of Omega 6, Omega 9, Vitamin C and antioxidants. A relaxing and restorative massage is performed to further enhance the effects of these products.

Express Facial 30 minutes \$70

An excellent choice for those who are seeking a quick, refreshing treatment. Products personalized to your skin's needs are used to cleanse and exfoliate your skin, followed by a therapeutic mask and moisturizer. A perfect pick-me-up for busy individuals.

Moisture Drench Facial Massage 30 minutes \$70

A relaxing combination of massage movements for the face, neck, shoulders and décolleté are performed, leaving the skin rejuvenated, refreshed and drenched in moisture.

oxygenation facial treatments

The ultimate in skin renewal. From beginning to end, the skin is trans-dermally fed with oxygen plasma liposomes that bring nutrients, energy and moisture directly to the cells, speeding up metabolism, treating skin conditions, invigorating the complexion and triggering new formation of collagen and elastin fibers.
